CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Effective Date: May 2010

Void After: May 2011

Product: Vacuum Systems for the Collection of
condensation Grease Waste and Black Water
Waste

File No. 4156

Issued To: Acornvac
13818 Oaks Avenue
Chino, CA 91710

IDENTIFICATION: The vacuum system collection center, the buffers/accumulator and the control valves shall be marked with the manufacturer's name or trademark. The vacuum system collection center shall additionally marked with date of manufacture, model/serial number, and IAPMO IGC 150. The product shall also bear the cUPC® certification mark.

CHARACTERISTICS: Vacuum Condensation, Grease Waste, and Black Waste Collection Systems to be installed using other IAPMO R&T listed fittings. To be installed in accordance with the manufacturer's instructions and the requirements of the latest Uniform Plumbing Code.

Products comply with the applicable sections of the latest edition of the Uniform Plumbing Code® and the International Plumbing Code®. Models listed to the National Plumbing Code of Canada and Relevant Canadian Standard(s) shall bear the cUPC mark of conformity®. Manufactured in compliance with IGC 150-2009.

Chairman, Product Certification Committee

Senior Director of R&T
